

6th Grade Middle School Athletics 2010-2011

Students attending Geneva Elementary and middle schools in the Bellingham School District will have the opportunity to participate in a quality athletic program next year. The middle school athletic program is self-supporting and participation fees are set accordingly. In order to achieve this goal, fees for the 2010-2011 school year have been adjusted to balance revenue and expenditures. In addition, a one-time ASB fee will be required. Intramural sports will be available to 6th graders without charge except for the \$10 ASB fee. Geneva 6th graders will participate as part of the Kulshan Middle School program next year. Intramurals will be held at Geneva. Sixth graders will be able to participate in the sport seasons listed below.
